Nothing But Grace!

Everything we have and benefit from in our lives is a consequence of God's Grace. This is especially true of our salvation. The testimony we all share when we examine our lives is: "Nothing But Grace." We often don't realize how blessed we are until the blessing is gone. What is grace? Grace is God extending His favor upon mankind. Have you ever thought about it? God favors us! Grace is real-time evidence of God's goodwill. Grace is God responding in kindness to a world that has offended Him. When I look around and consider what could have been God's response to wayward man, to people like you and I, I realize that I can only proclaim: "Nothing but grace."

The very stuff that life is made of is a matter of grace. This is what is known as "common grace." These are often things we take for granted. Consider the following. The grace of habitation: we could have been without shelter. The grace of constitution: we could have been without health and strength. The grace of occupation: we could have been without any skills or abilities. The grace of cognition: we could be void of any learning and reasoning ability. The grace of provision: we could have been without any of needs being met. The grace of associations: we could be in this world all alone without family or friends. All of these things are about the grace of temporal things. None of these things last forever. However there is another

Tree of Life

- ◆ Few things can honor and/or memorialize a loved one permanently like a recognition tree.
- ◆ Few things can show the level of appreciation for supporters and donors like a recognition tree.
- ◆ The donor recognition tree is our way of permanently and publicly recognizing those who have contributed to Tabernacle’s history and who will do so into the future.
- ◆ The donor recognition tree is also our way to show gratitude to those who made donations to fund the Centennial Celebration while adding aesthetic appeal to our church.
- ◆ The recognition tree has been installed on the wall outside the Fellowship Hall. Please stop by and view its beauty.

Miniature wood trees (2 available), large bronze stone (8 available) and metal leaves (300 available) are imprinted with names or special messages then hung on the tree. Centennial Photo Session

The Centennial Photography Sub-Committee is offering the service of capturing Individual/Family/Group images for the Centennial **Commemorative Souvenir Booklet**. If you are planning to place an ad (with an image) in the Souvenir Booklet, we want to assist you.

Point of Contact (PoC): One person per Customer Type (individual/group/family/business) will be designated with the responsibility of session planning, proof selection and placing orders. The Photography Sub-committee will only honor change requests from the person designated as the PoC.

Scheduling Photo Session: Available dates/times for all photo sessions will be scheduled on a first come/first serve basis. A schedule listing the available timeslots will be posted on the TMBC website (tmbcdetroit.org). Photo session scheduling timeframes are as follows:

Photo Session Date	Reservation Start-Cutoff Date
March 14th/15th	February 16th-March 11th
April 18th/19th	February 16th-April 15th
May 16th/17th	February 16th-May 13th

You must contact the Centennial Photography Sub-committee to plan for a photo session. A representative for the Photography Sub-committee will be in the cloak room on the 3rd Sundays in February, March and April to facilitate photo session scheduling.

If the Photographer is unable to perform any of the duties for whatever reason - including but not limited to, fire, transportation problems, acts of God, accident, illness, or technical problems – a make-up session will be scheduled.

Payment: The fees for the Photo Session and the Commemorative Booklet e-copy is included in the ad pricing fee. If the Customer wants an e-copy or printed copy for their personal use, the Photographer’s pricing/order sheet will be made available.

Centennial Photo Session Checklist: Additional details related to payment information, photo location/background and anticipated number of people will be detailed in the Centennial Photo Session Checklist. The checklist will be forwarded to the PoC, after the photo session has been confirmed.

Unity and One Accord for Kingdom Purposes

(1 Cor. 1:10)

“Now I plead with you, brethren, by the name of Our Lord, Jesus Christ, that you all speak the same thing, and that there are no divisions among you, but that you be perfectly joined together in the same mind in the same judgment” (1 Cor. 1:10, NKJV).

In the world we live in today, there appears to be great division. In our government, we have Democrats and Republicans who are consistently divided on which direction the country should proceed. Our local church should be different. We must first know and believe the true doctrine of God’s Word. After gaining understanding, it is our duty to commit to gathering on one accord as a unified body.

We should not eliminate diversity, but instead have unity of all parts like a quilt with various colors and patterns, blended together as a whole (Bible Knowledge Commentary). Even in the midst of diversity, **having single-minded Christian purposes, agreement on essentials of the faith and the Gospel, and harmony in relationships and attitudes** would allow us to be more *perfectly joined together* to benefit the church and please God (1 Cor. 1:10).

In 1 Corinthians 1:10, Paul writes to correct the disunity that occurs when the disciples identify their ministry purpose through one of the prominent Christian leaders instead of Christ. Paul leaves no doubt as to the one he believed should be the focus of Corinthian unity. That is Jesus Christ. We must fully fix and center our focus on Christ.

Paul pleaded for an outward expression that comes from an inward spirit. He encouraged the Corinthians to speak the same thing and allow for *“no divisions among you,”* and **be perfectly joined together**. There is a difference between having opposing viewpoints and being divisive. Believers can work together harmoniously if they **agree on what truly matters** - Jesus Christ as Lord of all.

In the book of Acts, the early church gathered together in the upper room tarrying as Jesus instructed. **They continued with one accord in prayer and supplication** after the ascension of Jesus. United with one mind and purpose devoted to prayer, God sent the Holy Spirit as promised. (Acts 1:14;2:1-21). February’s centennial prayer focus for Tabernacle is that we will be in unity and on one accord for kingdom purposes.

What are some kingdom purposes? Our church mission statement is a very good example. It is listed as follows:

- Exalt** the Savior through worship and prayer.
- Expond** the scriptures through biblical preaching and teaching.
- Embrace** the saved through membership and fellowship.
- Evangelize** the sinner through the sharing of the good news empowered by the Holy Spirit.
- Encourage** the struggling through ministry for the whole family.
- Equip** the saints through Christian education and discipleship for the work of the ministry.

Prayer: Father God, please help the members of our church to talk and behave in a way that will reduce arguments and divisions, while increasing harmony and fellowship. Create in us the unity of purpose that advances the Kingdom of Our God and Christ. Hear our prayer. Amen.

Grace!

Continued from page 1

Grace!

The Grace that I speak of is the grace of our salvation. This grace **Redeems** us. It has paid in full the price for the penalty of our sin. This grace **Rescues** us. It snatches and delivers us from eternal damnation. You and I were doomed to die without God and suffer eternally, but God’s grace rescued us. This grace **Revitalizes** us. It is grace that gives us life in exchange for the deadness of our previous existence. This deadness made us insensitive to the things of God, but grace brings back our sensitivity, our responsiveness to God. This grace **Restores** us. It fixes the most important relationship that any man, woman or child can have, that is our relationship with God. This grace **Redirects** us. Because of God’s grace you and I now have a new purpose in life. We have been created in Christ for good works. This grace **Refocuses** us. We now have something to look forward to, because of grace we now have hope.

The amazing paradox of grace is that it is free but costly. A great price had to be paid because a debt was made. Our sin, our rebellion toward God made us debtors and we had nothing in our possession to clear the debt. Our works, though many, are inadequate. Our wealth, though much, is insufficient. It took something that was beyond the vast holdings of this earth, it took the sacrifice of the Only Begotten Son of God. He gave His life to pay our debt and grant us what we don’t deserve and that is God’s Grace! Truly the hymn writer is right: Jesus Paid it All! Yes, I am blown away by God’s Grace. I join with John Newton and declare:

Amazing grace—how sweet the sound— that saved a wretch like me!
I once was lost but now am found, was blind but now I see.

’Twas grace that taught my heart to fear, and grace my fears relieved;
how precious did that grace appear the hour I first believed!

Thru many dangers, toils and snares I have already come;
’tis grace hath brought me safe thus far, and grace will lead me home.

The Lord has promised good to me; His word my hope secures;
He will my shield and portion be as long as life endures.

When we’ve been there ten thousand years, bright shining as the sun,
we’ve no less days to sing God’s praise than when we’d first begun.

Nothing But Grace!

Soli Gratia!

Door Monitor’s Ministry

The Door Monitor’s Ministry consist of 85 TAB members who are the eyes and ears of Tabernacle. The ministry began in March of 2008 to help minimize the escalating cost of security. The monitors are enjoying almost 12 years of keeping Tabernacle members safe. The cost savings of the Door Monitor's service is over \$350,000 since their inception.

The above picture represents members of the original Door Monitor’s Ministry which includes some who are now deceased. Many members have been added to this ministry that are not pictured above.

History Nugget...A Moment in Time Did You Know?

During the early winter of 1953, Dr. Jesse Jai McNeil thought it would be a good idea to organize a young adult group at Tabernacle to act as a stimulus for this age group. The express purpose would be to have recreation, outings, and other wholesome activities that would expose Christian living as something pleasurable and not something to dread. The Young Adult Fellowship was formed. After a few years, the name was changed to Marr-O-Not Fellowship, which simply means Married or Not.
