Re: **TABERNACLE - UPDATE – CORONAVIRUS – 3-20-2020**

To My Tabernacle Family,

Greetings in the Name of the God Who Keeps Us! It is my prayer that this communication finds you well. As promised on Sunday, March 15, 2020, I am writing this communication to give an update concerning the Coronavirus and how it impacts us at Tabernacle. I first want to thank all of you: officers, ministry leaders, staff, and members in general for your prayers and great cooperation in this time of world-wide crisis. It is my clear focus to lead us in ways that protect your physical welfare, maintain the financial welfare of our church, and strengthen the spiritual wellbeing of our church during this time.

The Governor has revised the Executive Order. The revised Executive Order prohibits any gatherings larger than 50 persons in a single space. In order to comply with this order, we will, starting as of March 17, 2020, SUSPEND ALL IN -PERSON MEETINGS AND WORSHIP SERVICES AT 2080 WEST GRAND BOULEVARD AND 6125 BEECHWOOD until further notice. We are doing this to comply with the Governor's Order.

However, we will have opportunity to worship together by means of live-stream and by tele-conference. **The live stream will begin at 11:00am using YouTube and tele-conferencing.**

- To view the live-stream using YouTube, simply go to our website at www.tmbcdetroit.org and click on Listen to Sunday Live Broadcast.
- If you do not have the capability to view on YouTube, you may call in and listen via telephone. The dial-in number **(425) 436-6361** and access code **819754**.
- You will be updated on future virtual opportunities. Please check the website and Facebook for postings. Please pass on this information to other members of our church family.

- Please join us by tele-conference for prayer at 6:00pm on Wednesday evenings. The dial-in number **(425) 436-6361** and access code **819754**.

This will allow us to still worship together even though it is virtual, thus fulfilling the scripture which says, “do not forsake the assembling of ourselves together” (Hebrews 10:25). This also allows us to comply with the Governor’s Executive Order.

Please note that we will continue our Outreach ministry at 6125 Beechwood. Precautions have been taken to protect our workers and still provide this necessary ministry to our community.

Volunteers are needed! Please call the church if you can volunteer.

I am counting on and praying for your continued support and cooperation in this matter. We must “*Trust Him Through It*” and never forget that we have “*The Immanuel Factor*” (*God Is With Us*).

As we continue to move through this unique period in which we find ourselves, I want to reiterate these five suggestions.

1) Be Informed
