Teaching Ministry Prayer

O Gracious Heavenly Father, Our Creator, Father of our Lord and Savior Jesus Christ, our Great Teacher. We love and adore Thee. Humbly we come before Your Holy and Divine Presence thanking You for the wonderful opportunity You have given us to experience something new as we prepare to share the good news of Your love, grace, mercy and abiding concern for us. We thank You for the Teaching Ministry and how it enables us to become agents for facilitating change.

We ask that You will continue to bless Pastor Johnson, Dean Elyse, Dean Starnes, all the Facilitators and Students. Anoint us afresh with Your Holy Spirit as You enable us to understand the vast picture of what our future will be like as we are transformed and become more relevant, focused, and intentional about fulfilling Your purpose for our lives in sharing the Gospel and connecting with others. Help us to be receptive to the challenges and opportunities You will set before us as we see the new things You will do. Give us a greater desire and more zeal to embrace new learning and new experiences to meet our needs in these times as we move forward.

We give You thanks for all the many blessings that You have bestowed upon us this week and may we be ever grateful for future blessings. Bless all who have [participated in these] Christian Education experiences as we strive to become better prepared to live a Christian life devoted to doing the work of ministry that God has called us to do, disciple-making, to reach out and recruit others who are not engaged in discipleship. We pray and ask all of this in the precious name of our Lord and Savior, Jesus Christ. Amen
